S. Smith, Dartmouth College, USA
J. P. Stern, Cryptolog, France
M. Yung, Columbia Univ., USA
J. Zhou, Institute for Infocomm Research, Singapore

Organising Committee

T. Anh Nguyen, Univ. of Kent, UK
D.W. Chadwick, Univ. of Kent, UK (Chair)
U. Mbanaso, Univ. of Kent, UK
J. Wallace, Univ. of Kent, UK
W. Xu, Univ. of Kent, UK
G. Zhao, Univ. of Kent, UK

Please note Time Extension for Submission of Papers

Workshop scope

The *2ⁿᵈ European PKI Workshop: Research and Applications* is focusing on research and applications on all aspects of Public Key Infrastructure. Submitted papers may present theory, applications or practical experiences on topics including, but not limited to:

Modeling and Architecture	*Key Management and Recovery*
Bridge CA	*Certificate Status Information*
Cross Certification	*Interoperability*
Directories	*Repository Protocols*
Mobile PKI	*Timestamping*
Authentication	*Verification*
Reliability in PKI	*Standards*
Certificate Policy	*Certification Practice Statements*
Privacy	*Legal issues, Policies & Regulations*
Fault-Tolerance in PKI	*Case Studies*
Privilege Management	*Trust*

PKI and eCommerce, eBusinees, eGovernment applications

Instructions for paper submission

The Workshop welcomes original papers from academic, government, and industry contributors dealing with the above or related issues. Papers, which describe ongoing research or provide an excellent surveying work, are welcome too. All submissions will be subjected to a thorough blind review by at least three reviewers. Papers should be up to 6000 words in English, including bibliography and well-marked appendices. Accepted papers will be presented at the Workshop and published in the Proceedings by **Springer** in **Lecture Notes in Computer Science** series (**http://www.springeronline.com/lncs**). The Proceedings will be distributed to the Workshop attendees. At least one author of each accepted paper is required to register with the Workshop and present the paper. To submit a paper, go to the conference web site (**http://sec.cs.kent.ac.uk/europki2005/**) and follow the instructions posted on the **Instructions for Authors** page

Important dates
